

The Lewisboro Democratic Club

We Welcome Your Participation

Six Reasons to Join Lewisboro's Democratic Club.

- 1. It's fun to participate in your community.**
The Club provides a forum where you can welcome your neighbors and join other Democrats in a casual, informal setting.
- 2. You can test out your ideas and perspectives and discover what's new.**
Club activities allow you to share ideas, build coalitions, explore community and civic activities, exchange points of view or simply sit back, listen and enjoy lively, informative discussions. □
- 3. You will impress your neighbors with your grasp on current events.**
The Club keeps you up-to-date on local political activities, candidates and events. Get current information on candidates running for a local office; learn about them, their platform and how their appointment might affect our community.□
- 4. You can exercise your leadership skills or nurture skills in your children.**
Involvement with the Club is what you make it. Lead a Committee or join an existing one. You can help create the Young Leaders Club where our children can learn Robert's Rules of Order, understand the political process, lead a meeting or participate in a debate.
- 5. It only takes a little of your time to reap big benefits.**
Your ability to participate in Club events will change depending upon your life's demands. Attend an event, when you can. Give of your time, your talent, resources, or funds when you can. When you cannot, we understand.
- 6. It's the best bargain in town.**
Your membership of \$20 per year allows you to stay tuned into your community and will support Club activities.□□□
